

# CV- HANNAH KLEIN

hannah@hkcreated.com | www.hkcreated.com | @hkcreated | +46 707 943 669

Stockholm-based designer driven by curiosity and sustainability, creating work that forges connections between people, materials, and environments. Skilled in prototyping, material research, and cross-disciplinary collaboration, with projects exhibited in Sweden and internationally. Recipient of awards including the Marianne och Sigvard Bernadotte Artist Foundation Grant for explorative, future-focused design.

- Industrial & Product Design
- Prototyping, mockups, material research
- Project Management & Event Coordination
- Teaching, Mentoring & Student Advocacy
- Customer Relations & Stakeholder Communication
- Adobe Creative Suite, Rhino, 3D Modelling
- Fluent in English & Swedish

## Work Experience

### 2025 - Ongoing, Service Administrator, Toyota Material Handling

Coordinate and plan service on machines, ensuring timely service and effective communication. Manage high-volume customer interactions and billing.

### 2023 - 2025, Vice-Chairperson, Konstfack Student Union Board

Planned and executed the Konstfack Christmas Market, attracting over 8,000 visitors annually. Collaborated with the vice-chancellor to improve student life.

**2021 - 2025, Student Representative, Konstfack** Served on the Board of Governors and multiple advisory panels. Represented student perspectives at the highest decision-making levels.

**2023 - 2024, Sales Associate, Granit & Green Laces** Promoted to summer store manager at Granit; implemented solutions for customer logistics. Managed orders and provided sustainability-focused product knowledge.

### 2023 (4 weeks), Internship, TAF studio

Created physical and digital mockups, conducted color palette research for product development.

**2020 - Ongoing, Independent Creator, Hkcreated** Execute self-initiated art and design projects across multiple mediums.

### 2015 - 2018, Youth Group Leader, Fryshuset Stockholm

Organized inclusive activities for youth from diverse backgrounds, fostering a safe environment.

### 2014 - 2016, Production Manager, Brooklyn Candle Studio

Produced hand-poured soy candles for major clients such as Urban Outfitters. Managed sales at the Brooklyn Flea Market.

## Education

### 2024 - 2025, MFA, Design Ecologies, Konstfack, Stockholm

### 2021 - 2024, BFA, Industrial Design, Konstfack, Stockholm
